“Andy immediately engages his audience in a natural and open manner that captures their respect and attention. What impresses me most about Andy's interactive speaking style is his ability to adjust and direct his topic to the reactions he receives from his audience. Andy artfully leads his audience to question & challenge their own beliefs and grow.”

- Debra Lellbach, Co-Owner of Lellback Builders

“Andy Kindler has a way of capturing his audience, elevating and educating as they relax into the topic, advance and learn in spite of themselves. Kindler is always knowledgeable of his subject and audience; and delivers in a manner that allows for open, honest dialogue resulting in forward development and positive outcomes.”

- Laura Crawford, CEO of Downers Grove Chamber
